Donna Oklak  
Board Member Emerita

Beth Thomas  
Immediate Past President

March 29, 2018

Dear Impact 100 Greater Indianapolis Supporter,

The 2018 Impact 100 Greater Indianapolis Annual Celebration, set for Tuesday, June 12, is on track to be the largest we have ever hosted. We anticipate more than 250 women to be in attendance when we award not just one, but two, \$100,000 high impact grants this year!

To support this Annual Celebration and our mission, we are seeking contributions from corporate and individual sponsors from \$500-\$1000. In addition to defraying certain costs of the dinner (including the complimentary registration for finalists), we are seeking these sponsorships so we can continue to offer no-cost educational events and to get our message out to the community. We need these sponsorship dollars because 100% of member donations go directly to grant recipients rather than toward administrative expenses.

We encourage each member and supporter to help us identify potential sponsors and even reach out to family and friends who own local businesses to discuss sponsorship opportunities. Each company's sponsorship will include logo recognition on our website and Facebook page. And because Impact 100 Greater Indianapolis is a 501(c)(3) nonprofit organization, all donations are tax deductible to the extent allowed by law.

We are also actively seeking donations of gift cards, wine, and silent auction items for the Annual Celebration raffle activities. We have volunteers who will gladly pick up any donated items (especially those too large or difficult to mail).

Please contact me with sponsor and donor information, if you have any questions, or if you need more information.

Thank you,

Jenna Spurrier, Fundraising Chair
